- Outputs:
  - 1 Composite Video
  - 1 L/R Audio
  - 1 3.5 mm Earphone

### LED-1906HDTR

The ToteVision LED-1906HDTR is an HD, 1080P resolution rack mount TV/Monitor for headends or any other application where a rack mount TV is needed.

With full HD 1080I or 1080P resolution, the unit is able to display the very best image quality in a 16 x 9 aspect ratio.

With a built in digital tuner, the TV can receive both QAM (Annex B) and 8 VSB digital programming without the need for an external device. In addition to the tuner, the LED-1906HDTR has multiple input connectors including HDMI, Component, Composite Video, as well as VGA.

With its front panel mounting, this TV sits flush to the front of the rack so it will not interfere with other equipment or front rack doors.

Shipped ready to mount, the 1906-HDTR is an attractive and affordable addition to any headend installation.

### Specifications
